

## **Vishwa Raj, MD**

Dr. Vish Raj received his undergraduate degree in biophysical chemistry from Princeton University and his medical degree from the Robert Wood Johnson Medical School. He completed his internship in internal medicine at Abington Memorial Hospital in Abington, Pennsylvania, and his residency in physical medicine and rehabilitation at the Baylor College of Medicine in Houston, Texas.

Dr. Raj is currently the director of oncology rehabilitation services at Carolinas Rehabilitation, where he also serves as Associate Medical Director at Carolinas Rehabilitation-Main Campus. Dr. Raj provides cancer rehabilitation services on both an inpatient and outpatient basis, with specific emphasis on lymphedema management and neurological tumor rehabilitation. Dr. Raj is active in many regional and national initiatives regarding the rehabilitation of oncology rehabilitation patients, and is also very active in research activities relating to functional improvement for individuals suffering from cancer.
