ARRCT has quickly established itself as **THE** open access journal for the field of physical medicine and rehabilitation. Together *the Archives* and ARRCT provide complete coverage of the latest research and its clinical applications to the PM&R world.

## HOW THIS WORKS

- ARRCT is a scientific, peer-reviewed open access journal accepting submissions in the field of physical medicine and rehabilitation
- ARRCT publishes original, peer-reviewed research and systematic and other reviews covering important trends and developments in rehabilitation. It also considers exceptional case reports, qualitative research, and methodological protocols
- Authors should prepare their manuscript according to the [Author Instructions](#) and submit them online [here](#)

## DETAILS

- Authors only pay the article processing charge (APC) for accepted manuscripts. There are no submission fees.
- Authors may submit directly to the journal. Alternatively, their submission to the *Archives of Physical Medicine and Rehabilitation* may be referred to ARRCT pending their approval.
- Articles are published under the CC BY-NC-ND license.

## DISSEMINATE YOUR RESEARCH

With the mission of IMPROVING LIVES of those with disabling conditions through interdisciplinary rehabilitation research, ACRM curates and disseminates world class rehabilitation research. Publishing your article in ARRCT under the open access model strengthens this mission. Since all articles are freely available, they each have the potential to be viewed by more people. This will lead to **higher usage, citations and ultimately, impact for your work.**
