

Peter Abaci, MD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Malene Abell, BS

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Kim Anderson-Erisman, PhD

Participant discloses the following relationships:

1. BioAxone BioSciences Inc.: Consultant
2. Kleberg Foundation: Research grant
3. Department of Defense: Research grant

Participant has indicated no discussion of unapproved drug or product uses.

Kristin R. Archer, PhD, DPT

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. David B. Arciniegas, MD

Participant has nothing to disclose.

Participant has indicated the following discussion of unapproved drug or product uses:

My presentation includes one slide demonstrating the effect of donepezil HCl on the P50 evoked response to paired auditory stimuli among persons with persistent attention and memory problems following TBI. This demonstration is offered only with respect to its implications on this clinical neurophysiologic metric and is not intended to suggest anything with regard to the use of this agent in clinical practice. This will be made clear to participants during my presentation.

Dr Teresa Ashman, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr Arash Babaei-Ghazani, M.D

Participant has nothing to disclose.

Participant has indicated the following discussion of unapproved drug or product uses:

Biodex Balance System

Dr. Samantha Backhaus, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Deborah Backus, PT, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Chitra Balasubramanian

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Ms. Kathleen Allison Barron

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr Barbara E. Bates, MD, MBA

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Mark Theodore Bayley, MD, FRCPC

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Jonathan Bean, MD, MS, MPH

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Cynthia Beaulieu, PhD, ABPP-Cn

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Simon Beaulieu-Bonneau

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Andrea L. Behrman, PhD, PT

Participant discloses the following relationships:

1. Craig H. Nielsen Foundation: Grant: A New Measure of Neuromuscular Recovery after SCI
2. Department of Defense: Grant: Responsiveness of the Neuromuscular Recovery Scale: Inpatient and Out-patient
3. Oxford University Press: Publisher: Locomotor Training: Principles and Practice
4. Co-Director: Reeve Foundation NeuroRecovery Network

Participant has indicated no discussion of unapproved drug or product uses.

Jeneita Bell, PhD, MPH

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Sue Berger, PhD, OTR/L, BCG, FAOTA

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Thomas F. Bergquist, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Francois Bethoux, MD

Participant discloses the following relationships:

1. Acorda Therapeutics: Consulting, speaker's bureau, and research funding
2. Biogen Idec: Speaker
3. Allergan: Speaker's bureau
4. Innovative Neurotronics: Consulting, research funding
5. Merz: Consulting, research funding

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Christopher T Bever, Jr, M.D., M.B.A.

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr Nathalie Bier, OT, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Jeanine Blanchard, PhD, OTR/L

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Erna Blanche, PhD, OTR/L, FAOTA

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr Jennifer Bogner, PhD, ABPP, FACRM

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Ms. Amy Bohn, OTR/L

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Chuck Bombardier, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Michael Boninger

Participant discloses the following relationships:

1. Multiple funding agencies - all federal: They provide me with grant funding
2. University of Pittsburgh: Patents pending and Patent royalties being received
3. StemCells: Serve on data safety monitoring board

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Alexandra Borstad, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Michelle Bosco, Psy.D.

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Prodip Bose, MD, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Carolina Bottari, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Amanda L. Botticello, PhD, MPH

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Chris Boulias, M.D., Ph.D.

Participant discloses the following relationships:

1. Allergan Inc.: Study grant support

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Joline Brandenburg, MD

Participant has nothing to disclose.

Participant has indicated the following discussion of unapproved drug or product uses:

Onabotulinum toxin for spasticity management in children

Dr. Jeffrey Steven Brault, DO, PT

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Thomas Bryce, MD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Blake Burdett

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Prof. dr. Frans C. T. van der Helm, PhD

Participant has nothing to disclose.

Participant has indicated the following discussion of unapproved drug or product uses:

Devices built and tested under the NeuroSIPE program, meant for recording of reflex gains in patients and healthy subjects

Dr Grace Campbell, PhD, MSW, CRRN

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Marc Campo, PT, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Joshua Cantor, PhD

Participant discloses the following relationships:

1. TeleSage, Inc. : Consultant

Participant has indicated no discussion of unapproved drug or product uses.

Dr Richard M. Capriotti, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr James Jeffrey Carollo, PhD, PE

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Michael Paul Cary, Jr., RN

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Feng-Hang Chang, MPH

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Susan Charlifue, PhD, FACRM

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Andrea L Cheville

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Angela Hein Ciccia, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Keith Cicerone, PhD, ABPP-Cn, FACRM

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Sherrilene Classen

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Angela Colantonio, FACRM

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Susan Conroy, DSc.PT

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Prof Fofi Constantinidou, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Paul Cordo, PhD

Participant discloses the following relationships:

1. AMES Technology, Inc.: Employed by (50%) and stockholder

Participant has indicated no discussion of unapproved drug or product uses.

Victor Coronado, MD, MPH

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. John D. Corrigan, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Cheryl Cott

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Rachel Cowan

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

LCDR Tara Cozzarelli, BSN

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Ms. Katelyn Crane, SPT

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Nora Cullen, MD, MSc, FRCPC

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Jeffrey P. Cuthbert, PhD, MPH, MS

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Vanina P.M. Dal Bello-Haas, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Kristen Dams-O'Connor, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Amy Darragh, PhD, OTR/L

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Fred Neal Davis, M.D.

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Deirdre Dawson, PhD, OT Reg (Ont.)

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Anna de Joya

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Ms. Tamara Rork DeAngelis, PT, DPT, GCS

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Gerben DeJong, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Scott Delp

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Prof Thierry Deltombe, MD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Professor Carol Ann DeMatteo, OT MSc

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Anne Deutsch, RN, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Amber Devers, PT, DPT, NCS

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Yasin Dhaher, PhD

Participant has nothing to disclose.

Participant has indicated the following discussion of unapproved drug or product uses:

yasin dhaher

Dr. Jesus Diaz

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Marcel PJM Dijkers, PhD

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Jennifer Doble

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Mr. Shawn Drefs, BSc., MSc.

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Professor João Luiz Durigan

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Micael Edblom

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Dr. Brian Edlow, M.D.

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.

Mrs Bina Eftekhar Sadat, MD

Participant has nothing to disclose.

Participant has indicated the following discussion of unapproved drug or product uses:

Biodex

Megan Eggleston

Participant has nothing to disclose.

Participant has indicated no discussion of unapproved drug or product uses.
