

Annual Conference – Satellite Symposium

15JAN2025

OVERVIEW

The **Annual Fall Conference – Satellite Symposium** events are scheduled to occur in lightly opposed times during the ACRM Annual Conference.

Each **Satellite Symposium** will be 60 minutes with approximately 45 minutes of content, followed by a Q&A Chat.

All will be promoted through the ACRM conference website and app.

HOW THIS WORKS

- Purchase your Satellite Symposium package
- Presentation must be submitted to ACRM for approval prior to the event
- ACRM will provide you with the same great presenter benefits as any speaker at the conference including:
 - Best in Class onsite Venue and Speaking Platform furnished with podium, microphone/amplification, A/V equipment, A/V technician, table, and seating all in the historic Chicago Hilton
 - ACRM Conference Publicity including weekly newsletters, social media campaigns, print advertising, promotional eblasts, custom presentation graphics, dedicated page in the online program and app and more
 - Fantastic networking opportunities at multiple receptions and events around the conference where you can meet potential collaborators, researchers and clinicians interested in your product
 - ACRM staff liaison between vendor and host hotel
- Vendor will be given the option to provide food and beverage if desired at an additional charge. This product document details a sample breakfast event for up to 100 people.

- ACRM does not guarantee attendee numbers
- Food, beverage and meeting space can accommodate up to 100 people. ACRM cannot guarantee that we can accommodate additional attendees, but we will work with the host and the hotel to the best of our ability if these circumstances arise.

After the day and time of your Event is confirmed, and after payment is received, and your logo and information are officially provided, then the ACRM marketing team gets to work on the Event publicity and your recognition.
