CANCER REHABILITATION NETWORKING GROUP (CRNG)
The mission of the CRNG is to advance the field of cancer rehabilitation by providing opportunities for education and professional development, advocating for standards in clinical practice and research, and supporting a forum for interdisciplinary and international exchange.

ABOUT THE CRNG
At the ACRM Annual Conference in 2013, the CRNG was recognized by the ACRM Board of Governors. The CRNG is comprised of interdisciplinary professionals who desire to improve the educational and networking opportunities for ACRM membership in cancer rehabilitation research, education, clinical care and policy in order to improve the lives of people who have been diagnosed with cancer.

CRNG MEMBER BENEFITS
• Continuing education opportunities
• Opportunity to plan educational courses for the ACRM Annual Conference
• Task Force participation
• Collaborative research opportunities

RESEARCH
• Advance cancer rehabilitation research and promote research collaboration
• Promote translation of evidence to enhance clinical expertise and practice
• Establish an interdisciplinary research agenda

CLINICAL CARE
• Conduct state-of-the-art reviews of practice in cancer rehabilitation care
• Enhance competencies of an interdisciplinary team member in cancer rehabilitation

EDUCATION
• Participate in continuing education offerings specific to the interests of cancer rehabilitation researchers and clinicians
• Plan an educational course in cancer rehabilitation for the ACRM annual meeting
