YOUR HELP WANTED...
BRING RESEARCH TO PRACTICE FASTER

ACRM
ATLANTA
21 – 24 OCT 2020
PRE-CONF: 19 – 21 OCT

ACRM 97th Annual Conference
PROGRESS IN REHABILITATION RESEARCH
TRANSLATION TO CLINICAL PRACTICE

Yielding scientific research faster...
THE RESEARCH IS HERE

This is the world’s largest interdisciplinary rehabilitation research conference. With fantastic growth and increasing interest each year, this is THE event for the science behind rehabilitation and the passionate, warm, and interprofessional community where ALL are welcomed. For maximum learning, CME/CEUs, value, networking & connecting — do not miss: ACRM.org/2020

Join us and learn how to put evidence into practice.

PAMELA ROBERTS, PHD, OTR/L, SCFES, FAOTA, CPHQ, FNAP, FACRM, ACRM PRESIDENT; EXECUTIVE DIRECTOR, OFFICE OF CHIEF MEDICAL OFFICER; EXECUTIVE DIRECTOR AND PROFESSOR PHYSICAL MEDICINE AND REHABILITATION; CO-DIRECTOR, DIVISION OF INFORMATICS, DEPARTMENT OF BIOMEDICAL SCIENCES, CEDARS-SINAI; SR. DIRECTOR QUALITY, OUTCOMES, AND RESEARCH, CALIFORNIA REHABILITATION INSTITUTE

This year, I’m especially excited for the increased networking opportunities, the diversity and depth of content, career development, and learning opportunities.

BRAD KUROWSKI, MD, MS, ACRM ANNUAL CONFERENCE PROGRAM COMMITTEE CO-CHAIR, CINCINNATI CHILDREN’S HOSPITAL MEDICAL CENTER

ACRM is a home where I can combine clinical interests with my research and interact with people who are making decisions about rehab research

DEBORAH BACKUS, PT, PHD, FACRM, ACRM PAST PRESIDENT, DIRECTOR, MULTIPLE SCLEROSIS RESEARCH AT SHEPHERD CENTER, EULA C. AND ANDREW C. CARLOS MS REHABILITATION AND WELLNESS PROGRAM AT SHEPHERD CENTER

ACRM is truly the place where the clinic, research, academia, industry and science perspectives come together. Interdisciplinary engagement is the future for success in rehabilitation and ACRM not only fosters this but strives for this mission.

MEGAN MITCHELL, PHD, ACRM ANNUAL CONFERENCE PROGRAM COMMITTEE CO-CHAIR, HUMAN FACTORS RESEARCHER

ACRM is a great organization for early career professionals to advance their career with limitless networking opportunities.

MONTIQUE PAPPADIS, MED PHD, UNIV. OF TEXAS MEDICAL BRANCH AT GALVESTON

ACRM is a place where I can meet face-to-face with collaborators, meet new people, welcome new early career individuals into the fold, help educate and collaborate. ACRM is a GREAT place to be.

STEPHANIE KOLAKOWSKY-HAYNER, PHD, CBIST, FACRM, ACRM PRESIDENT-ELECT, ICAHN SCHOOL OF MEDICINE AT MOUNT SINAI

Don’t miss the world’s largest interdisciplinary gathering of this kind — researchers + clinicians, administrators & the whole rehab team
Everyone is welcome at ACRM — all rehabilitation professionals, administrators, researchers, clinicians, consumers, family members, and caregivers.

**JOIN ACRM & SAVE**

Save the most by becoming an ACRM Member before you register. ACRM is a vibrant interdisciplinary community offering outstanding opportunities to connect, learn and collaborate with colleagues from around the world. Members receive discounts to all ACRM events and gain full access to 22+ interdisciplinary special interest groups, committees, task forces and networking groups. Being a member of ACRM means you will receive the ARCHIVES of Physical Medicine & Rehabilitation, eNews, our weekly newsletter and discounts on publication fees for ARRCT, our Open Access journal. Visit ACRM.org/join or contact MemberServices@ACRM.org.

NOTE: Schedule to be finalized summer 2020. This infographic is for representational purposes only. Use the ACRM Conference App and the Online Program ACRM.org/op for the latest.
PLENARY I
21 OCT 5:15 PM - 6:15 PM

100 Years of the Archives of Physical Medicine and Rehabilitation: A Legacy of Disseminating the Best Evidence

LEIGHTON CHAN, MD, MPH, MS, Chief, Rehabilitation Medicine Department Clinical Center, National Institutes of Health
ALLEN W. HEINEMANN, PhD, ABPP, FACRM, Director, Center for Rehabilitation Outcomes Research
FORD VOX, MD, FAAPMR, ABPMR, Medical Director, Disorders of Consciousness; Program Chair, Medical Ethics Committee, Shepherd Center
JASON ROBERTS, PhD, Senior Partner, Origin Editorial
LYDIA TACX, MBA, Director Open Access Enablement Journal Indexation, Elsevier
JEFFREY BASFORD, MD, FACRM, Professor, Physical Medicine and Rehabilitation, Mayo Clinic

PLENARY II
22 OCT 8:30 AM - 9:30 AM

Can Data Collected Using Wearable and mHealth Technologies Result in Improvements in Rehabilitation Outcomes?

PAOLO BONATO, PhD, Associate Professor of Physical Medicine and Rehabilitation, Harvard Medical School

PLENARY III
23 OCT 8:30 AM - 9:30 AM

Applying Data Science to Advance Translational Neurotrauma Research

ADAM R. FERGUSON, PhD, Associate Professor, Weill Institute for Neurosciences, University of California, San Francisco (UCSF)

PLENARY IV
24 OCT 11:30 AM - 12:30 PM

Addressing Inequities: Empowering People Experiencing Disabilities

ANGELA COLANTONIO, PhD, OT Reg. (Ont.), Professor and Director, Rehabilitation Sciences Institute, University of Toronto
This is the first wave of featured presenters including plenaries and special symposia. More outstanding speakers will be announced as additional content is accepted and scheduled. This is just a “sneak peek” and “tip of the iceberg.” See the latest in the online program ACRM.org/op

FEDERAL FUNDING OPPORTUNITIES & INITIATIVES FOR REHABILITATION

FEATURED SESSION 22 OCT 2:00 PM - 3:15 PM

PATRICIA DORN, PhD, Director, Rehabilitation Research and Development Service, Department of Veterans Affairs

A. CATE MILLER, PhD, Rehabilitation Program Specialist, National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR)

TONY GOVER, PhD, Civilian Deputy Director, Clinical and Rehabilitative Medicine Research Program, United States Army Medical Research and Materiel Command

THERESA HAYES CRUZ, PhD, Acting Director, Eunice Kennedy Shriver National Institute of Child Health and Human Development, National Institutes of Health

U.S. NEWS & WORLD REPORT’S BEST HOSPITALS FOR REHABILITATION: RECENT CHANGES & FUTURE DIRECTIONS

FEATURED SESSION 22 OCT 2:00 PM - 3:15 PM

BEN HARDER, Chief of Health Analysis and Managing Editor, U.S. News & World Report

LECTURE LUNCHEONS

12:30 PM - 1:45 PM SCHEDULE TO BE CONFIRMED

Interacting With the Human Brain: How Can We Stimulate Positive Neuroplasticity?

LARA A BOYD, PT, PhD, Professor, University of British Columbia

LYNNE GAUTHIER, PhD, Associate Professor, University of Massachusetts Lowell

Frailty: A Common Theme and Opportunity in Multiple Sclerosis and Geriatric Rehabilitation

JONATHAN F. BEAN, MD, MPH, Professor, Harvard Medical School

DEBORAH BACKUS, PT, PhD, FACRM, Director, Multiple Sclerosis Research, Shepherd Center

Lecture Luncheons are a ticketed event with separate registration.
SPECIAL SYMPOSIA

BRUCKER INTERNATIONAL SYMPOSIUM: Conducting International Rehabilitation Randomized Controlled Clinical Trials

DINA BROOKS, PT, PhD, Professor, Vice-Dean (Health Sciences) and Executive Director, School of Rehabilitation Science, McMaster University

4th Annual Women in Rehabilitation Science Symposium

ANGELA COLANTONIO, PhD, OT Reg (Ont), Professor and Director, Dalla Lana School of Public Health, University of Toronto

MARK A. HIRSCH, PhD, FACRM, Senior Scientist, Carolinas Rehabilitation/ Department of Physical Medicine and Rehabilitation

Bio-Integrated Sensors for Pediatric Rehabilitation

SHUAI “STEVE” XU, MD
MSc FAAD, Medical Director, Querrey Simpson Institute for Bioelectronics, Northwestern University Feinberg School of Medicine

Session & faculty Details in Searchable Online Program
ACRM.org/op

network > collaborate > improve > #ACRM2020

Cancer Rehabilitation Guidelines: Synthesizing Guideline Recommendations to Inform Practice

NICOLE L. STOUT, DPT, CLT-LANA, FAPTA, Research Assistant Professor, West Virginia University Cancer Institute

ALIX G. SLEIGHT, PhD, OTD, MPH, OTR/L, Cancer Prevention Fellow, National Cancer Institute

KELLEY R. COVINGTON, MS, Research Assistant, ReVital Cancer Rehabilitation & Colorado State University

KATHLEEN D. LYONS, ScD, OTR/L, Senior Scientist, Dartmouth-Hitchcock Medical Center

CATHERINE M. ALFANO, PhD, Vice President, Survivorship, American Cancer Society

DANIEL SANTA MINA, PhD, Assistant Professor, Faculty of Kinesiology and Physical Education, University of Toronto

See more in the online program ACRM.org/op
SPECIAL SYMPOSIA

Caring for Caregivers of Veterans or Service Members With Traumatic Brain Injury: Practical Implications for Civilian Healthcare Providers

NOELLE E. CARLOZZI, PhD, Associate Professor; Research Affiliate; Director Center for Clinical Outcomes, University of Michigan

ANGELLE M. SANDER, PhD, Associate Professor and Director, Division of Clinical Neuropsychology and Rehabilitation Psychology, Baylor College of Medicine

LARRY CERVELLI, BS, OT, FACRM, Founder and Coordinator, Western Mass. Veterans Outreach Project, Retired Health Executive

CHRISTINA DILLAHUNT-ASPILLAGA, PhD, CRC, CVE, CLCP, CBIST, Associate Professor; Research Affiliate, University of South Florida; James A Haley Hospital and Clinics, Rehabilitation Outcomes Research Service

Drumming & Movement: Arts Meets Science

BRIAN HARRIS, MA, MT-BC, NMT/F, Neurologic Music Therapist Fellow, MedRhythms, Inc

RON HIRSCHBERG, MD, Director, Physical Medicine and Rehabilitation, Massachusetts General Hospital; Consultation Service

Explore, Prepare, Implement, Sustain: Illustrating the Process of Rehab-related Implementation Research Across Settings

ADDIE MIDDLETON, DPT, PhD, Assistant Professor, Medical University of South Carolina

CATHARINE JOHNSTON-BROOKS, PhD, ABPP-CN, Clinical Neuropsychologist, Marcus Institute for Brain Health

ADAM R. KINNEY, PhD, OTR/L, Polytrauma/TBI Postdoctoral Fellow, Rocky Mountain MIRECC, Department of Veterans Affairs

JANET PRVU BETTGER, ScD, Associate Professor, Duke University

MIRIAM RAFFERTY, PT, DPT, PhD, NCS, Research Scientist II; Assistant Professor, Shirley Ryan AbilityLab, Northwestern University

Expanding Access to Rehabilitation via Telehealth

DAWN EHDE, PhD, Professor, Nancy & Buster Alvord Endowed Professorship in Multiple Sclerosis Research, University of Washington

See the latest in the online program ACRM.org/op
Improving Access to Sleep Apnea Diagnosis in Acute TBI to Maximize Neurorehabilitation Outcome

JOHN WHYTE, MD, PhD, Institue Scientist Emeritus, Moss Rehabilitation Research Institute
RISA NAKASE-RICHARDSON, PhD, Professor, Research Neuropsychologist, James A. Haley Veterans Hospital & University of South Florida
JEANNE M. HOFFMAN, PhD, Professor, University of Washington
JESSICA M. KETCHUM, PhD, Lead Biostatistician, Craig Hospital
JOSEPH COULTER, Stakeholder
JILL COULTER, Stakeholder
CHERRY JUNN, MD, Assistant Professor, PMRS, University of Washington (not pictured)

mRehab: New Models of Care Using Information & Communication Technology to Support Rehabilitation in the Home & Community

MIKE L. JONES, PhD, FACRM, Vice President of Research and Technology, Shepherd Center

Pioneering an Effective Stroke Rehabilitation Paradigm During the Acute Care Hospitalization

NNEKA L. IFEJIKA, MD, MPH, Section Chief of Stroke Rehabilitation; Associate Professor PM&R, Neurology, Neuurotherapeutics, UT Southwestern Medical Center

Person-Centered Rehabilitation & Beyond: Where We Are & Where We Could Go Next

CHRISTINA PAPADIMITRIOU, PhD, Associate Professor, Oakland University
NICOLA KAYES, PhD, MSc (Hons), BSc, Professor of Rehabilitation and Director, Centre for Person Centred Research, Auckland University of Technology

SCI 2020: Here We Are, So Where Are We?

LYN JAKEMAN, PhD, Director, Division of Neuroscience, National Institute of Neurological Disorders and Stroke, National Institutes of Health
SPECIAL SYMPOSIA

Promoting Real World Physical Activity to Improve Health Outcomes in Persons Living With Multiple Sclerosis

VICTOR W. MARK, MD, Associate Professor, Department of Physical Medicine and Rehabilitation, University of Alabama at Birmingham

ERWIN E. VAN WEGEN, PhD, Associate Professor, Amsterdam University Medical Center, Location VU Medical Centre

MARK A. HIRSCH, PhD, FACRM, Senior Scientist, Carolinas Rehabilitation/Department of Physical Medicine and Rehabilitation

EKATERINA DOBRYAKOVA, PhD, Research Assistant Professor, Department of Physical Medicine and Rehabilitation, Rutgers New Jersey Medical School

Michele K. York, PhD, ABPP-CN, Associate Professor, Section Head, Neuropsychology, Department of Neurology, Baylor College of Medicine

John D. Corrigan, PhD, ABPP, FACRM, Professor, Department of Physical Medicine and Rehabilitation, Ohio State University; Director, Ohio Valley Center for Brain Injury Prevention and Rehabilitation

Rachel Sayko Adams, PhD, MPH, Scientist; Health Services Researcher, Institute for Behavioral Health at the Heller School for Social Policy & Management at Brandeis University; Veterans Health Administration Rocky Mountain Mental Illness Research Education and Clinical Center

Amy A. Herrold, PhD, Research Health Scientist, Edward Hines Jr., VA Hospital

Christina Dillahunt-Aspillaga, PhD, CRC, CVE, CLCP, CBIST, Associate Professor; Research Affiliate, University of South Florida; James A Haley Hospital and Clinics, Rehabilitation Outcomes Research Service

Quantitative Brain Functional Assessment: Mapping the Brain to Guide Rehabilitation

David S. Cantor, PhD, MS, FNAN, QEEG-D, QEEG-IBQE, BCN, CEO, Founder, Mind and Motion Developmental Centers, LLC

Rehabilomics Research: Towards a Precision Medicine Approach to Optimizing Function After Traumatic Brain Injury

Amy K. Wagner, Professor and Associate Director, Rehabilitation Research, University of Pittsburgh; Endowed Translational Research Chair, UPMC

Risk Factors & Interventions for Co-occurring Substance Use Disorders

See the latest in the online program ACRM.org/op
WHO SHOULD ATTEND? All kinds of professionals who want to up their game and family members and caregivers are welcome, too. Common titles of attendees are: speech-language professionals, psychologists, occupational and physical therapists, physicians and other professionals serving people with brain injuries.

COURSE INCLUDES:

1) THE MANUAL: Printed copy of the ACRM Cognitive Rehabilitation Manual ($150 value) including worksheets. Also available for purchase separately

2) ONLINE COURSE: Access to previously recorded Cognitive Rehabilitation Training ($395 value) audio with slides. Also available for purchase separately

3) CME/CEUs: 12.5 hours of continuing education in your choice of 10 disciplines

90% of attendees surveyed say, “I am likely to recommend this training to colleagues.”

Details & registration: ACRM.org/cogatl

CERTIFIED BRAIN INJURY TRAINING
THE OFFICIAL ACADEMY OF CERTIFIED BRAIN INJURY SPECIALISTS (ACBIS) COURSE

The ACBIS training and certification exam are intended for paraprofessionals and professionals at all levels who want a strong foundation in the best practices in brain injury rehabilitation. This official ACBIS instructional course is designed to prepare participants to take the certification examination. An additional application process and fee are due by 10 April to sit for the proctored exam.

Join more than 6,000 Certified Brain Injury Specialists worldwide and enjoy the support of the Academy offering brain injury education CEUs.

COURSE INCLUDES:

• 12 hrs of training (Day #1: 7 hrs; Day #2: 5 hrs)
• 12 hours of continuing education in your choice of 10 disciplines
• Access to downloadable training / slides
• Opportunity to sit for optional certification exam (add’l fee applies)

For CBIS requirements, more info & registration: ACRM.org/acbis
CME / CEUs
come & get ‘em

OFFERING CME / CEUs FOR 13 DISCIPLINES

1) Certified Case Managers (CCMC),
2) Disability Management Specialists (CDMS),
3) Healthcare Executives (ACHE),
4) Massage Therapists (NCBTMB),
5) Nurses (ANCC),
6) Occupational Therapists (AOTA),
7) Physical Therapists (TBD),
8) Physicians (ACME),
9) Registered Dietitians (CDR),
10) Rehabilitation Counselors (CRCC),
11) Rehabilitation Psychologist (APA),
12) Social Workers (NASW),
13) Speech-Language-Hearing Pathologists (ASHA)
