CONFERENCE ETIQUETTE: To make the conference experience an enjoyable event for all attendees, we ask that you keep the following in mind: • As a courtesy to our speakers and other attendees, refrain from the use of pagers or cell phones during presentations. Participants of this conference are in attendance to learn so we ask that you take conversations unrelated to the program outside of the session rooms. • In order to accommodate environmental sensitivities of some attendees, if at all possible, refrain from or use moderate levels of scented products. • To maintain and demonstrate professionalism within our industry, conference attire is business casual.

BADGES: Wear your badge at all times for access to conference events. Badges are not transferable.
