CORE CONFERENCE 3.5 DAYS 21 – 24 OCT

The ACRM CORE Conference refers to three and one half days full of evidence-based educational sessions (symposia), Plenaries, Featured Sessions, Oral Presentations, hundreds of scientific posters, a lively ACRM EXPO, dozens of ACRM community meetings, and nightly receptions.

ACRM COMMUNITY MEETINGS

These are the heart of ACRM and refer to meetings held by ACRM Interdisciplinary Special Interest Groups, Networking Groups, forming Groups, Task Forces, and ACRM committees. Dozens of meetings are held during the CORE conference — bright and early morning before the Plenaries and during lunch breaks. Most meetings are OPEN to all registered attendees (unless otherwise noted in the schedule). All registrants are encouraged to attend. There are many volunteer positions available. This is where the work happens — to collaboratively advance the science of rehabilitation and its translation into clinical practice to IMPROVE LIVES. Don't miss these opportunities — to meet-up with colleagues who share interests, challenges, and goals, to make friends and to make a meaningful mark in the future of rehabilitation. www.ACRM.org/meetings20

Oral presentations of scientific paper sessions are comprised of 3 (or 4) in one session and are grouped by topic area. Full abstracts of all scientific papers and posters are published in the online pages of the October issue of the ACRM scientific journal, Archives of Physical Medicine and

Rehabilitation and are fully searchable and citable at archives-pmr.org.

POSTER SESSIONS*

Hundreds of scientific posters will be on display. Full abstracts of all scientific papers and posters are published as an online supplement to the November issue of the ACRM scientific journal, Archives of Physical Medicine and Rehabilitation and are fully searchable and citable at archives-pmr.org. Posters for late-breaking research are scheduled to appear in the December issue.
