ACRM Cognitive Rehabilitation Training

Online Training including

- **12 CME/CEUs**
- **Printed Manual**
- **90-minute Q&A, with your group, hosted by authors/faculty**
- **Certificate of Completion**
- **25% discount for groups of 25+ (pricing and discount valid for one year)**
- **Complimentary announcement**

OVERVIEW

Get 12 hours of continuing education credits with 24/7 access to a previously recorded two-day training synchronized with the original presentation slides. Review the guidelines presented at the training you attended or access the material online to learn at your own pace. It's the next best thing to being there!

TESTIMONIAL

“We believe that participating in the ACRM Cognitive Rehabilitation Training and using the evidence-based strategies will result in significantly better outcomes for your patients, their families, and your organization.” – Lance E. Trexler, PhD, Managing Editor

HOW THIS WORKS

For a rich learning experience, you can pause and resume and learn at your own pace, this Online Course includes:

- 12 hours of continuing education contact hours
- 24/7 access to a recorded Cognitive Rehabilitation Training
- Review previously recorded two-day training synchronized with the original presentation slides
- **THE MANUAL:** Printed copy of the *Cognitive Rehabilitation Manual: Translating Evidence-Based Recommendations into Practice*—\$150 value! (additional shipping and handling charges apply).

INVESTMENT OPPORTUNITIES

*all prices are subject to change without notice

- **ACRM Members: \$295**

Includes:

- Six-month access to video recording of the two-day training
- Easy access at your own pace — take the course at your convenience and pace from any browser window
- THE MANUAL: Printed copy of the Cognitive Rehabilitation Manual: Translating Evidence-Based Recommendations into Practice—\$150 value! (additional shipping charges apply). Additional copies of the Manual may be purchased separately.
- Up to **12 Continuing Education contact hours**
- 5 disciplines
 - Occupational Therapists (AOTA)
 - Physical Therapists (ACCME – Non-MD CME)
 - Physicians (ACCME)
 - Psychologists (Non-MD CME)
 - Speech-Language-Hearing Therapists (ASHA)
- Certificate of Completion

- **Nonmembers: \$395**

Includes:

- Everything listed above
- Plus 6-month introductory ACRM membership with access to all interdisciplinary special interest groups and networking groups, discount member rates on products and conference registration, and subscriptions to all members-only newsletters.

- **Group Rate: \$296.25**
 - $\$395 \times 25\% \text{ discount} = \$296.25 \text{ each} \times 25 \text{ participants} = \$7,406.25$
minimum

AGENDA

Session 1: *Overview of the Workshop and Introduction to the Manual (60 minutes) with Thomas F. Bergquist, PhD, ABPP-CN*

Session 2: *Attention and Memory (237 minutes) with Michael Fraas, PhD, CCC/SLP, CBIS and Thomas F. Bergquist, PhD, ABPP-CN*

Session 3: *Hemispatial Neglect (57 minutes) with Deirdre Dawson, PhD*

Session 4: *Hemispatial Neglect Case Example and Executive Functions (153 minutes) with Deirdre Dawson, PhD*

Session 5: *Social Communication (148 minutes) with Michael R. Frass, PhD, CCC_SLP*

Session 6 (Bonus): *Challenges of Reimbursement for Cognitive Rehabilitation (45 minutes) with Keith Cicerone, PhD, ABPP-Cn, FACRM and Donna Langenbahn, PhD, FACRM*

DISCIPLINES

- Occupational Therapists (AOTA)
- Physical Therapists (ACCME – Non-MD Certificate of Participation)
- Physicians (ACCME)
- Psychologists (Non-MD CME)
- Speech-Language-Hearing Therapists (ASHA)

CONTINUING EDUCATION CREDIT

Educational Level: **Introductory/Intermediate**

Instructional Method: **Video Taped Lecture**

CME/CEU: **12 contact hours**

DISTINGUISHED FACULTY

Deidre Dawson
PhD

Financial – Dr. Dawson has received research grants to investigate the Cognitive Orientation to daily Occupational Performance Approach™ • Is a CO-OP Certified Instructor • Has a book contract with the AOTA press for a book on the CO-OP Approach™ (available Nov. 2017)

Nonfinancial – Dr. Dawson has no relevant non-financial relationships to disclose.

Thomas Bergquist
PhD, ABPP-CN

Dr. Bergquist has no financial or non-financial relationships to disclose.

Keith Cicerone
PhD, ABPP-Cn, FACRM

Dr. Cicerone has no financial or non-financial relationships to disclose.

Michael Fraas
PhD, CCC/SLP, CBIS

Financial – Dr. Fraas works for a private practice and receives a salary. Nonfinancial – Dr. Fraas has no relevant nonfinancial relationships to disclose.

Donna Langenbahn
PhD

Dr. Langenbahn has no financial or non-financial relationships to disclose.

COMPLETION REQUIREMENTS: EVALUATION AND CME CERTIFICATES

Credit is only given to attendees that register for the course; successfully complete the entire course; evaluate and take the post-test after each session. At the end of the training, you will see a slide with a link/web address to the post-test system. You will receive an email after taking the test showing your score. You must pass with 80% accuracy. You may retake the test at any time.

After you have completed the entire course and the final post-test, you will find the link to evaluate and receive your certificate. In that email, you will be able to click on the link evaluate and print your certificate.

STATEMENT OF NEED AND TARGET AUDIENCE

Educational opportunities that promote evidence-based interventions for cognitive rehabilitation are needed by clinicians in order to provide optimum care for individuals with brain injury.

ACRM Cognitive Rehabilitation Training provides such an opportunity by presenting evidence-based standards and guidelines for clinical practice and translating them into step-by-step procedures for use by clinicians. The interventions described can be readily used by occupational therapists, speech and language therapists, psychologists, and other rehabilitation professionals.

LEARNING OBJECTIVES

To support the attainment of knowledge, competence, and performance, the learner should be able to achieve the following objectives:

1. Use a decision-tree to assist in determining which type of cognitive rehabilitation to implement.
2. Describe techniques for improving attention and the steps involved in carrying out treatments.
3. Identify the general guidelines for the use of external memory strategies.
4. Describe a general algorithm and conceptual framework for structuring interventions for awareness, executive functioning, and behavioral / emotional self-regulation.
5. Discuss the evidence concerning the effectiveness of cognitive rehabilitation in the selection and implementation of specific, individualized interventions for cognitive disability.

TESTIMONIAL

Rehabilitation Hospital of Indiana Testimonial:
ACRM Online Cognitive Rehabilitation Manual Training

“The Rehabilitation Hospital of Indiana (RHI), a Traumatic Brain Injury Model System, is committed to providing evidence-based therapy services through supporting the professional development of our clinicians. ACRM’s option for online Cognitive Rehabilitation Manual training was instrumental in RHI’s decision to offer this education to all of our speech-language pathologists and outpatient occupational therapists who specialize in brain injury. The online training option was cost-effective and convenient. Our therapists appreciated the concise translation of research to everyday practice through clearly defined procedures for delivering high quality, functional, evidenced-based treatment. Overall, they found the training extremely valuable and practical with information that they will use in their daily clinical work.”

Christina A. Baumgartner, MS, CCC-SLP
Executive Director of Therapy Operations
Rehabilitation Hospital of Indiana

PHYSICIANS – Approved

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the New Jersey of Academy of Family Physicians and the American Congress of Rehabilitative Medicine. The New Jersey of Academy of Family Physicians is accredited by the ACCME to provide continuing medical education for physicians.

The New Jersey of Academy of Family Physicians designates this enduring material activity for a maximum of 12.0 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SPEECH-LANGUAGE HEARING PROFESSIONALS – Approved

This course is registered for 1.15 ASHA CEUs (Intermediate Level; Professional Area).

An annual ASHA CE Registry fee is required to register ASHA CEUs. ASHA CE Registry fees are paid directly to the ASHA National Office. To register ASHA CEUs with ASHA, you must complete a CE participant form, turn it in at the time of the activity, and pay the ASHA CE Registry fee. ASHA CEUs are awarded ONLY AFTER receipt of the CE Participant Form AND payment of the Registry fee.

OCCUPATIONAL THERAPISTS – Approved

ACRM has applied for AOTA for Distance Learning-Independent for 12 AOTA CEUs. The assignments of AOTA CEUs do not imply endorsement of specific course content, products, or clinical procedures by AOTA.

PHYSICAL THERAPISTS – Approved

Physical Therapists will receive a non-physician Certificate of Attendance.

EVENT BOOST

Extra ACRM amplification? Want to do something more? Let us know what you are thinking, and we will help build a custom program for you. For example, potential boosts might include — one dedicated eblast to ACRM’s exclusive email list, extra App pushes, additional social media boosting including and sponsored stories (Instagram and Facebook), sponsored social media posts, etc.
