The ARCHIVES is **the most influential journal on rehabilitation** in the world—its papers have been cited more than any other rehabilitation journal.

HOW THIS WORKS

- The Archives sends out a monthly electronic table of contents alert (eTOC) and on average 12 article in press (AIP) alerts per month.
- Your ad will make it through spam filters because each subscriber self-registers.
- Advertising in *The ARCHIVES* eTOC or AIP solidifies your place among critical information provided to members.
- Advertising in *The ARCHIVES* eTOC or AIP allows your company to reach industry decision-makers.

All submitted content is subject to ACRM approval
