SCHEDULE – LIMITED OPPORTUNITIES AVAILABLE

OVERVIEW
RehabCast is the official monthly podcast of the Archives of Physical Medicine and Rehabilitation.

Hosted by Dr. Ford Vox, MD, Shepherd Center, RehabCast features in-depth interviews with scientists publishing in the journal and news briefs relevant to all rehabilitation clinicians — PM&R physicians, physical therapists, occupational therapists, speech-language pathologists, psychologists and more.

HOW THIS WORKS
As of December 6, 2022, there have been 42 episodes of RehabCast and new episodes are recorded regularly. There have been over 148,000 listens to date for an average of 3,500 listens/episode across multiple platforms (Soundcloud, iTunes, etc.). The episodes range from 22 to 45 minutes long on average.

The vendor will send the script to ACRM and ACRM will use their own voiceover person to make the recording. ACRM will add the disclaimer “The following is a paid advertisement from X. ACRM does not assume responsibility for content on sites external to ACRM.org.” at the beginning of the script. The ad will run at the beginning of the episode before the opening credits. Ads are subject to approval from ACRM.
INVESTMENT OPPORTUNITIES

Vendors may purchase either a one or multiple episode spot. Spots are sold on a first-come, first-serve basis. There is one EXCLUSIVE spot available per episode. Episodes are always available and live forever.

Vendors may also purchase full-year sponsorship if available. Their advertisement will run before every episode for a minimum guaranteed 10 episodes.

ACRM will announce the vendor as the official sponsor of RehabCast before each episode and acknowledge their sponsorship in official postings for RehabCast and on the RehabCast webpage.
