OVERVIEW

The Annual Conference-EXPO HALL Learning Center (formerly known as the Live Learning Center or Vendor Track) events are scheduled to occur in lightly opposed times during the ACRM Annual Conference.

Each EXPO HALL Learning Center session can be up to 60 minutes in length with approximately 45 minutes of content, followed by a Q&A Chat.

All will be promoted through the ACRM conference website, app, ACRM social media, eblasts and eNews.

HOW THIS WORKS

- Purchase your EXPO HALL Learning Center package
- Presentation must be submitted to ACRM for approval prior to the event
- Pre-record your presentation, if you wish, and it will reside on the Online Program and be available to all registered attendees until February 2025
- ACRM will provide you with the same great presenter benefits as any speaker at the conference including:
  - Best in Class onsite Venue and Speaking Platform furnished with podium, microphone/amplification, A/V equipment, table, and seating all in the historic Chicago Hilton
  - Your presentation can be recorded and accessible to all registered attendees for up to 4 months after the event
  - ACRM Conference Publicity including weekly newsletters, social media campaigns, print advertising, promotional eblasts, custom presentation graphics, dedicated page in the online program and app and more. ACRM encourages the vendor to also widely publicize the event.
Fantastic networking opportunities at multiple receptions and events around the conference where you can meet potential collaborators, researchers and clinicians interested in your product

- Vendor will be given the option to provide food and beverage if desired at an additional charge. ACRM will match the first $250 of your order with a $500 minimum order. This can be a great way to promote higher attendance!

*There will be no CME/CEU offered with your presentation*

After the day and time of your Event is confirmed, and after payment is received, and your logo and information are officially provided, then the ACRM marketing team gets to work on the Event publicity and your recognition.
