## Instructional Courses

[ACRM.org/precon](http://ACRM.org/precon)

If you plan to attend the CORE conference and at least one instructional course, the WORLD PASS is the BEST VALUE.

The **WORLD PASS** includes access to every thing in the CORE pass **PLUS** access to all Pre-Conference Instructional Courses listed below, the ACRM Early Career Development Course or the Leadership Development Course (both on Thursday 31 OCT), and substantial savings on the Cognitive Rehabilitation courses and the Awards Gala, too.

CME/CEU processing is included with registration. Credits available in your choice of 14 disciplines
